REMARKS/ARGUMENTS

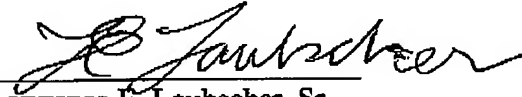

In response to the Notice Regarding Drawings that was mailed by the Office of Patent Publication, Publishing Division on August 26, 2005, application submits herewith a new set of replacement drawings, thereby to avoid the objection "line running through Drawings Figs. 3-7, and "numbers and reference characters not plain and legible Figs. 6A-7."

This submission is being made by fax transmission. In the event that the Publishing Division should have any further comments or problem with the replacement drawings, it is requested that the undersigned local attorney be called [703-521-2660] so that the appropriate personal interview might be arranged to attend to the necessary.

Favorable action is courteously solicited.

Respectfully submitted,
